

Roger Fränkl, Managing Director for Investments and Plant Engineering, resigns from the Management Board of STEICO SE

Insider information according to Section 17 of the MAR

7 October 2024

Feldkirchen near Munich, 7 October 2024 – (ISIN DE000A0LR936) – Roger Fränkel, Managing Director for Investments and Plant Engineering, has informed the Administrative Board of STEICO SE today that he will be stepping down from his position as Managing Director on 31 December 2024 in order to pursue new professional challenges.

The Administrative Board regrets this decision, thanks Mr Fränkl for his successful work and wishes him all the best for the future.

The Administrative Board has decided to fill the position in the short term, but no longer at Managing Director level.
