

STEICO SE: unaudited business figures for 2024: revenue of € 376.3 million, EBIT of € 36.1 million

Insider information according to §17 MAR

13 January 2025

Feldkirchen near Munich, 13 January 2025 - (ISIN DE000A0LR936) – According to unaudited business figures, the STEICO Group generated revenues of € 376.3 million (previous year € 365.3 million) and EBIT of € 36.1 million in 2024 (previous year € 30.4 million), recognised under German GAAP. Revenue of around € 375 million and EBIT of between € 38 million and € 40 million were expected. The deviations in EBIT are due to costs exceeding expectations, among others due to higher repair and maintenance costs, additional write-downs on inventories and one-off effects in personnel costs.

The complete, audited business figures are expected to be published in the second half of April as part of the annual report.

* EBIT = earnings before interest and taxes.
